LONG'S

Gladiolus Bulbs and Bulblets, Wholesale Prices

FALL 1929

25 bulbs and blts. at the 100 rate. For 1000 rate on bulbs, multiply the 100 rate by nine. 250 bulbs and bulblets at the 1000 rate. No item less than 25 cents. Pints and 1/2 pints blts. at quart rate.

Definition of Size: No. 1 size measures 1 1/2 inch or larger. No. 2 size, 1 1/4 to 1 1/2 inch. No. 3, 1 in. to 1 1/4 in. No. 4, 3/4 in. to 1 in. No. 5, 1/2 in. to 3/4 in. No. 6, 1/4 in. to 1/2 in. These sizes and measurements are standard and used by growers and dealers the world over. Some growers are more liberal than others in grading to the various sizes. So a close comparison of prices may be misleading in some instances.

If sold out of size ordered, will send size smaller, adding more bulbs to make up the difference in price, unless you request us not to do so. No substitution of varieties in the following list. Measurements are diameter of bulbs.

(ALL PREPAID IN UNITED STATES AND CANADA)

	Size No. 1 Per 100	No. 2 Per 100	No. 3 Per 100	No. 4 Per 100

NOTE:—In event of shortage, retail orders take precedence over wholesale.

TO LARGE BUYERS: Growers, dealers and others who can use large quantities of a variety, or a good big order of assorted varieties, please mail me a definite list of the kinds, sizes and quantities you can use from my catalogue. Chances are I can save you money on the lot. Or, make out your order on your letterhead and I'll be most liberal in over-count.
